

TALKE USA DRAYAGE

ABOUT US

TALKE USA is headquartered in Mont Belvieu, Texas, within the heart of the Houston Metropolitan area. Safety is first and foremost in all that we do, and our motivated team provides safe, sustainable, and efficient services to all our customers. As a result, TALKE USA has become a key player in Houston since our founding in 2016.

As part of the TALKE Logistic Services group, TALKE USA shares in the heritage of over 75 years of global experience in logistics for the chemical and petrochemical industries. Today, we offer a wide range of logistic services, including a significant focus on transportation.

OUR TEAM

Our truck drivers are adept at handling diverse materials safely.

- Drivers receive specialized training for hazardous materials
- We have detailed SOPs and conduct thorough risk assessments for each work area
- New drivers complete a two-week training program, including a road test
- All drivers must complete Pro-Tread's monthly safety training
- We're heavily involved with the Port of Houston, making over 200 daily trips with our drayage fleet
