ABOUT US

TALKE USA is headquartered in Mont Belvieu, Texas, within the heart of the Houston Metropolitan area. Safety is first and foremost in all that we do, and our motivated team provides safe, sustainable, and efficient services to all our customers. As a result, TALKE USA has become a key player in Houston since our founding in 2016.

As part of the TALKE Logistic Services group, TALKE USA shares in the heritage of over 75 years of global experience in logistics for the chemical and petrochemical industries.

WHY CHOOSE TALKE USA?

SPECIALIZED EXPERTISE

Benefit from decades of experience in handling chemical cargo, including battery chemicals and semiconductor materials.

STATE-OF-THE-ART FACILITIES

Our warehouse facilities guarantee secure storage and handling, maintaining your cargo's integrity throughout.

FOCUSED SOLUTIONS

Our primary focus remains on delivering exceptional care and attention to your hazmat shipments, ensuring compliance and safety.

COMPREHENSIVE SERVICES

We offer a complete suite of services under one roof, from drayage to cross-docking to safe handling of hazardous materials.

REAL-TIME VISIBILITY

Stay in control with advanced tracking and reporting technology, providing real-time insights into your cargo's status.

TRUSTED PARTNERSHIP

Entrust your logistics to skilled professionals dedicated to safely delivering superior service and reliability.
