

MOTOR CARRIER-SHIPPER TERMS AND CONDITIONS

TALKE HAZMAT SERVICES, Inc. is licensed as a Motor Carrier by the Federal Motor Carrier Safety Administration (FMCSA) in Docket Number MC-1715436 ("TALKE"), or by appropriate state agencies, and as a licensed Motor Carrier, provides for transportation of freight.

Shipper, to satisfy some of its transportation and logistics needs, desires to utilize the services of TALKE to provide for transportation of Shipper's freight.

Shipper, by executing a Credit Application Agreement which incorporates this Terms and Conditions Agreement ("Agreement") by reference, or by accepting TALKE's proposal or quotation which incorporates this Terms and Conditions Agreement ("Agreement") by reference, agrees to be bound by the Credit Application Agreement and this Agreement unless the parties otherwise agree in writing not to be bound by them. "Shipper", as the term is used herein shall mean the party signing the Credit Application Agreement or accepting proposal or quotation, whether the entity is the BCO, consignee, actual shipper, or third-party firm.

As a condition of conducting business with TALKE, Shipper agrees to complete TALKE's Credit Application Agreement. The Credit Application Agreement must be received and approved prior to arrangements for transportation of freight.

"Motor Carrier," as that term is used herein, shall include local draymen. Local draymen are motor carriers who pick up and deliver freight to railroads and/or ports and/or pick up freight from the railroad and deliver to designated consignees/receivers.

PARAGRAPH 21 OF THIS AGREEMENT CONTAINS PROVISIONS FOR WAIVER OF THE RIGHT TO JURY TRIAL SHOULD A DISPUTE ARISE BETWEEN THE PARTIES. YOUR ACCEPTANCE OF THIS AGREEMENT INCLUDES YOUR ACCEPTANCE OF AND AGREEMENT TO SUCH PROVISION.

1. **TERM.** Subject to Paragraph 12, the term of this Agreement shall be one (1) year, commencing on the date the Credit Application Agreement has been completed, received, and approved as described above, and shall automatically renew for successive one-year periods; provided, however, that either Party may terminate this Agreement on 30 days written notice to the other Party, with or without cause, or as otherwise provided in this Agreement.
2. **SERVICE.** TALKE agrees to provide for Motor Carrier transportation of Shipper's freight, pursuant to the terms and conditions of this Agreement and in compliance in all material respects with all federal, state and local laws and regulations relating to the transportation of the freight covered by this Agreement.

3. **VOLUME**. There is no obligation for Shipper to tender a minimum number of shipments per year to TALKE, and TALKE is not obligated to provide for the transportation of any shipments offered by Shipper. Shipper is not restricted from tendering freight to other motor carriers and TALKE is not restricted from providing transportation services for other parties.
4. **SHIPPER DELIVERY INSTRUCTIONS**. Shipper shall be responsible to TALKE for timely and accurate delivery instructions and description of the cargo, including, but not limited to, dimensions, weights, and any special handling blocking or bracing requirements, for any shipment.
5. **SHIPPER'S OBLIGATIONS (Intermodal Shipments)**. (See railroad website for applicable service directory)
 - a. **Application of Rail Circulars**. Shipper acknowledges that (1) Rail Carriers provide transportation services subject to the provisions, restrictions and limitations in their Rail Circulars, (2) the Rail Circulars' address, among other matters, standards for loading, blocking and bracing standards, prohibitions and restrictions on certain types of commodities, limitations of liability, requirements for shipping hazardous materials, procedures and limitations on cargo claims, and requirements for proper descriptions of commodities, (3) applicable provisions of a Rail Carrier's Rail Circular in effect on the date of shipment will apply to any shipments transported by the Rail Carrier, (4) the Rail Circulars are generally available through the Rail Carrier's website, and (5) persons and entities that use Intermodal transportation provided by the Rail Carriers should be familiar and comply with the provisions, restrictions and limitations of the Rail Circulars.
 - b. **Loading**. Unless Shipper has requested in writing and TALKE agrees in writing to provide loading services before dispatch, Shipper will be responsible for ensuring that cargo is properly and safely loaded, supported, blocked, braced and secured, in accordance with the publications and standards of the Association of American Railroads ("AAR") and any other applicable Rail Circulars. Furthermore, Shipper will be responsible for expenses and cargo loss and damage arising out of any load shift that occurs during transportation due to improper or insufficient loading, blocking and bracing.
 - c. **Shipping Instructions**. Shipper will not tender any commodities restricted under the Rail Circulars, including but not limited to hazardous materials and waste; shipments valued more than the cargo insurance limits set forth in rail circulars or rail service directories; oversize or overweight shipments; coiled or rolled products and commodities requiring protection from heat or cold, and assumes all risk of loss for failure to properly identify such shipments and making necessary prior arrangements for transportation, including, but not limited to, timely written notice to TALKE.

- d. Count, Load and Seal. Unless Shipper has requested in writing and TALKE agrees in writing to provide driver count services prior to dispatch and TALKE performs such driver count services, Shipper is responsible for ensuring all contents of shipments transported under this Agreement to be properly counted and recorded and to have a protective seal applied to the loaded equipment.
- e. Inspection of Equipment. Shipper will ensure that all empty containers or trailers tendered for loading will be inspected before loading and to reject any equipment that is not in apparent suitable condition to protect and preserve the cargo during transportation. Shipper will immediately notify TALKE in writing of any rejected equipment.
- f. Use of Equipment. If Shipper requests in writing that TALKE arrange for Equipment to be held at a location for Shipper's convenience and left unattended by TALKE, Shipper will be liable for all loss, damage or misuse.
- g. Rejected/Refused Shipments:
 - (1) In instances where TALKE provides service as a drayman and delivery of Shipper's freight has been rejected or refused by consignee for any reason, or TALKE is unable to deliver the freight for any reason, Shipper on receipt of notice of rejection or non-delivery, shall provide TALKE with disposition instructions (by fax or email) within 48 hours after receipt of the notice, exclusive of Saturdays, Sundays and national holidays.
 - (2) If disposition instructions are not so received, TALKE is authorized to place the freight in a public warehouse, or TALKE's storage facility if equivalent to a public warehouse subject to disposition instructions from Shipper. If disposition instructions are not received by TALKE from Shipper within five (5) business days of storage, TALKE may issue a "Final Notice of On- Hand Freight," to Shipper and publish in a newspaper of general circulation, once a week, for two consecutive weeks that the freight on hand will be offered for sale at a general auction, stating the time and place of said sale. Not later than ten (10) days prior to the auction sale, TALKE will send a copy of the published auction notice to Shipper via facsimile transmission or EDI.
 - (3) The proceeds of any sale received under the procedure above shall be applied by TALKE to the payment of freight charges, demurrage, storage, and any other lawful charges; to the expense of notice, advertisement, publication, sale and other necessary expense; and to the expense of caring for and maintaining the freight, if proper care of the freight requires special expense. In the event that there are any proceeds remaining after all charges and expenses are paid, said proceeds shall be paid to the Shipper of the freight within seven (7) days of the sale.

6. SHIPPERS OBLIGATIONS (TRUCKLOAD SHIPMENTS)

- a. Loading: Unless Shipper has requested in writing and TALKE agrees in writing to provide loading services before dispatch, Shipper will be responsible for ensuring that cargo is properly and safely loaded, supported, blocked, braced and secured. Furthermore, Shipper will be responsible for expenses and cargo loss and damage arising out of any load shift that occurs during normal rigors of transportation due to improper or insufficient loading, blocking and bracing. At no time shall TALKE be liable for loss or damages due to load shift or lack of blocking and bracing of the shipment.
- b. Shipper must provide all information and instructions that are reasonably necessary for TALKE to effectively perform the transportation requested by Shipper in accordance with any applicable laws, rules, regulations or conventions. Shipper will provide detailed and accurate descriptions of any Goods tendered for transportation and their accurate weights. Shipper is responsible to be aware of and comply with applicable customs and import, export and transportation laws, rules, practices and regulations of the governmental authorities of the countries involved in a shipment; to complete and provide all required documentation; and to apply and pay for all licenses, permits or authorities required by governmental authorities to conduct the business and transportation contemplated by Shipper. If a hazardous materials shipment is tendered to TALKE, the actual shipper must provide the proper placards to TALKE at the time of pick up. In no event will Shipper tender any Goods that will or would reasonably be expected to contaminate, taint, corrode, or otherwise adversely impact the quality or condition of other Goods being transported, or the Trailer used in transporting the Goods.
- c. Shipper warrants that it is either the owner or the authorized agent of the owner of the Goods tendered for transportation and that it has the authority to, and does, accept these Conditions for itself and where applicable, as agent for and on behalf of the owner. The Shipper further warrants and agrees these terms and condition are binding to any other person involved in the transportation, including but not limited to any consignor or consignee, logistics providers, freight forwarders, or insurers.
- d. Except to the extent that TALKE has accepted instructions and explicitly accepted responsibility with respect to the preparation, packing, loading, labeling or marking of the Goods, Shipper warrants that all Goods have been properly and sufficiently prepared, packed, stowed, are fully and accurately described, labeled and/or marked, and that the preparation, packing, stowage, labeling and marking are appropriate to any operations or transactions affecting the Goods and the characteristics of the Goods. TALKE's acceptance of any shipment will not be a waiver of Shipper's obligation to comply with the aforementioned conditions listed above.

- e. Shipper will obtain all necessary permits and authorizations required to ship the Goods, including, but not necessarily limited to, export and import licenses, permits and hazardous material placards, and agrees to comply with all applicable laws, including, but not limited to, any prohibitions on selling to any person on a U.S. or Canadian export control list.
 - f. Use of Equipment. If Shipper requests in writing that TALKE arrange for Equipment to be held at a location for Shipper's convenience and left unattended by TALKE, Shipper will be liable for all loss, damage or misuse.
7. **SEALED SHIPMENT.** If Shipper loads and seals the cargo and the Carrier does not have the opportunity to count the cargo being loaded and the seal is intact upon delivery and unless agreed upon in writing as set forth in Section 5d, then TALKE is absolved from any liability for shortages or any damage to the cargo except when proximately caused by independent action of TALKE. Such absolution of liability will also occur if (i) the seal is broken at the direction and under the supervision of an agent of a governmental authority, or (ii) TALKE's equipment is preloaded and TALKE's representative cannot practically determine the adequacy of loading or count of the cargo in or on such Intermodal Equipment. TALKE will request any governmental authority that breaks a seal in connection with an inspection to reseal the trailer or container and/or make appropriate notation on the cargo documentation form. Shipper agrees that TALKE may break the seal on a trailer or container if, upon its determination, it becomes reasonably necessary to do so to inspect, reposition, or protect the cargo from damage or causing damage or the transportation equipment or to comply with federal, state, and municipal, laws, rules, and regulations. Shipper's consignee may not refuse delivery of a shipment solely because the seal on a Motor Carrier or Intermodal Equipment is broken.

8. **CARGO LOSS AND DAMAGE CLAIMS.** (a) In the event TALKE serves as a drayman to transport the shipment to and from a rail yard, cargo loss and damage claims which occur while the freight is under the control and possession of TALKE, will be subject to 49 USC 14706 Carmack Amendment; (b) Where the railroad provides the drayage service, the loss and damage claims, will be subject to applicable railroad circulars or service directories which may limit liability of the railroad to released rates/rates per pound. Shipper must have its own insurance and assumes all risk of loss to extent that railroad liability does not cover value of the freight.
- a. All rates provided by TALKE to the Shipper are predicated on released rates, \$250,000 per shipment (\$100,000 per shipment on consumer electronics) for rail shipments, and \$100,000 per shipment on Motor Carrier shipments. The Shipper can elect higher released rate coverage limits for its shipment(s) for an additional premium by contacting TALKE. In the absence of a written agreement to a higher released rate by TALKE and Shipper, Shipper releases its cargo for rail shipments at a rate not to exceed \$250,000 per shipment (\$100,000 per shipment on consumer electronics), and for Motor Carrier shipments at a rate not to exceed \$100,000 per shipment. Shipper assumes all risk of loss for shipments with value exceeding the above limits.
- b. Cargo liability coverage for shipments transported into Mexico is limited to \$100,000 per shipment for an additional charge.
9. **LIMITATION OF LIABILITY AND CLAIM NOTIFICATION PERIOD.** In no event shall TALKE be liable to Shipper for special, incidental, consequential, punitive, or exemplary damages, including but not limited to any damages that relate to loss, damage or delay to a shipment, any business interruption, loss of business information, or other pecuniary loss. For purposes hereof, the notification period for any damages claimed by Shipper ("Notification Period") is forty-five (45) days from the date of occurrence. Notice of any claim must be provided in writing to TALKE by certified mail, return receipt requested, or a nationally recognized overnight carrier. TALKE is not liable for any claims made by Shipper after the Notification Period. Notwithstanding anything in this Agreement to the contrary, the maximum aggregate amount of TALKE's liability for any and all damages, if any, shall be limited to the value of services provided by TALKE.
10. **RECEIPTS AND BILLS OF LADING.** If requested by Shipper in writing, TALKE agrees to provide Shipper with proof of delivery in the form of a signed Bill of Lading or other Proof of Delivery, as specified by Shipper. The terms and conditions of any freight documentation used by TALKE may not alter or modify the terms of this Agreement or the relationship between the Parties unless the Parties agree in writing.
11. **PAYMENTS.** TALKE shall invoice Shipper for the services in accordance with mutually agreed upon rates and charges set forth in writing. When rates are

negotiated between the Parties they must be confirmed in writing, and shall be binding, upon receipt of TALKE's invoice by Shipper and Shipper's payment to TALKE. Shipper agrees to pay TALKE's invoice within 30 days of invoice date without deduction or setoff. TALKE shall apply payment to the amount due for the specified invoice, regardless whether there are earlier unpaid invoices. Shipper agrees to be bound to the terms of TALKE's Credit Application Agreement which are incorporated herein by reference. Interest shall accrue monthly at a rate of One and Half Percent (1.50%) or the highest permissible rate under applicable law if such highest permissible rate is less than 1.50% per month on any unpaid balance. If any information provided by Shipper is inaccurate or incomplete, TALKE may, in its sole discretion, revise the agreed-upon rates to reflect the freight and services actually tendered.

12. **DEFAULT.** TALKE and Shipper will discuss any perceived deficiency in performance of this Agreement and will promptly endeavor to resolve all disputes in good faith. However, if either Party materially fails to perform its duties under this Agreement, the Party claiming default may terminate this Agreement on ten (10) days prior written notice to the other Party. Shipper shall be responsible to pay TALKE for any services provided by TALKE prior to the termination of this Agreement and for shipments or services not yet completed and/or not yet invoiced to Shipper. If any past due balance owed by Shipper to TALKE is referred to outside collections or an attorney, Shipper agrees to pay all collection costs, including, but not limited to, court costs and reasonable attorneys' fees. Additionally, in any action, lawsuit, or proceeding arising out of or relating to this Agreement, the Credit Application Agreement, or the services arranged by TALKE for Shipper, if TALKE is the prevailing party, TALKE shall be entitled to reimbursement of all reasonable attorneys' fees and expenses incurred in connection with the action, lawsuit, or proceeding.
13. **INDEMNIFICATION.** Shipper shall defend, indemnify and hold TALKE harmless against any claims of liability, actions or damages, including, but not limited to, cargo loss, damage, or delay, property damage, personal injury or death, and payment of rates and/or accessorial charges, arising out of Shipper's performance under this Agreement. Neither Party shall be liable to the other Party for any claims of liability, actions or damages due to the negligence of the other Party. The obligation to defend shall include all costs of defense as they accrue.
14. **ASSIGNMENT/MODIFICATIONS OF AGREEMENT.** Neither Party may assign or transfer this Agreement, in whole or in part, without the prior written consent of the other Party. No amendment or modification of the terms of this Agreement or the Credit Application Agreement shall be binding unless in writing and signed by the Parties.
15. **SEVERABILITY/SURVIVABILITY.** In the event that the operation of any portion of this Agreement results in a violation of any law, or any provision is determined by a court of competent jurisdiction to be invalid or unenforceable, the Parties agree

that such portion or provision shall be severable and that the remaining provisions of the Agreement shall continue in full force and effect. The representations and obligations of the Parties shall survive the termination of this Agreement for any reason.

16. **FORCE MAJEURE**. Neither Party shall be liable to the other for failure to perform any of its obligations under this Agreement during any time in which such performance is prevented by fire, flood, or other natural disaster, war, strikes, embargo, riot, civil disobedience, disruption to the transportation network, or the intervention of any government authority, or any other cause outside of the reasonable control of the Shipper or TALKE, provided that the Party so prevented uses its best efforts to perform under this Agreement and provided further, that such Party provides reasonable notice to the other Party of such inability to perform.

- 17. **INDEPENDENT CONTRACTOR.** It is understood and agreed that the relationship between TALKE and Shipper is that of independent contractor. None of the terms of this Agreement, or any act or omission of either Party shall be construed for any purpose to express or imply a joint venture, partnership, principal/agent, fiduciary, employer/employee relationship between the Parties. Shipper agrees that TALKE shall provide the sole supervision and shall have exclusive control over the operations of TALKE’s employees, contractors, subcontractors, agents, as well as all vehicles and equipment used to perform TALKE’s transportation for Shipper.
- 18. **THIRD PARTY BENEFICIARIES.** Except as expressly specified in this Agreement, the parties do not intend, nor shall any clause be interpreted to create in any third party, any obligations to, or right or benefit by, such third party under this Agreement with respect to either TALKE or Shipper.
- 19. **NONWAIVER.** Failure of either Party to insist upon performance of any of the terms, conditions or provisions of this Agreement, or to exercise any right or privilege herein shall not be construed as waiving any such terms, conditions, provisions, rights or privileges, but the same shall continue and remain in full force and effect as if no forbearance or waiver had occurred. Any waiver must be in writing and signed by the waiving party.
- 20. **NOTICES.** Unless the Parties notify each other in writing of a change of address, any and all notices required or permitted to be given under this Agreement shall be in writing and shall be addressed as follows:

Shipper agrees to inform its employees about the use and disclosure of this information with a conforming amendment in its Contract of Employment. If Shipper fails to do so and TALKE is sued for a fine or contract penalty, Shipper agrees to bear the resultant cost.
